

Park West Clinic

The Park West Clinic, a state-of-the-art clinic located in Park West Dublin invites qualified consultants to join them in providing high quality healthcare.

The facility provides much sought after operating theatre time and is interested in consultants who wish to become part of a leading healthcare provider.

Recently approved by VHI and VIVA's health insurers the Park West Clinic will be launching phase II of its facility which will include spacious high quality consultation suites.

Consultants interested in viewing the facility should contact:
